## **-2- TANDANYA CAT CLUB INC.**

Tandanya, formed in July 1976, is an "all breeds" cat club. Membership is open to all cat owners and people interested in cats. We cater for lovers of all breeds of pedigreed cats and unpedigreed or domestic cats. Tandanya's Club Membership fees are very affordable. Special reduced fees apply to Families and Junior (under 16) members, and all adult financial Club Members enjoy the same rights and privileges.

New members are always welcome.

Meetings held every 6-8 weeks, in January, March, May, July, September and November. At present, Meetings are held in Secretary's home at Glanville.

Committee Meetings may be held in "in-between" months. A copy of the minutes is given to every member present at the following General Meeting.

Except when extreme urgency arises, all business of the Club is handled at TCC Committee and/or General Meetings. Members are encouraged to take an active interest in all Club affairs.

Being really involved can add to your enjoyment, as well as making our lives easier, so please volunteer.

If you are not sure about something, please ask Tiff, Nell or a TCC Committee member, or if you need physical help, ask us who is available. Tandanya wants you to have a good day.

## Breed Awards:

*We have Breed Awards in each breed section today (seen in catalogue following classes) and we have avoided combining breeds even if virtually the same breed except for coat length. Sometimes this may leave only one exhibit in a section, but this does not guarantee a win as judges can withhold any award if they do not consider an exhibit to be worthy of it. Each “Best of Breed” winner will receive a ribbon and that is all, apart from any “end of year points” earned, which can be very valuable to top cats.*

*Prizes will be awarded for Special Awards shown on title pages for group awards.*

*Rosettes for Group winners in all Rings. Rosettes for Judges Fancies and Junior Exhibitor winners, and prizes for Miscellaneous Awards. Side Class awards will be placed on/in cages.*

## The Group Special Awards

*The Group Specials “Prize Awards” are printed at the beginning of each group.*

*Other “specials” for which prizes will be awarded are below.*

## “Judges’ Fancy” Exhibits

J1 ...60... SANDI GEMMELL, CANT/ACF

J3 ....81... FIONA HAWKINS. GCCFSA/ACT

J2 ....6. , TONY HURRY. CFA NSW/ACF

J4 ....25.. JUDITH ADAMS, GCCFSA

## MISCELLANEOUS AWARDS

M1 .73- ->..BEST DECORATED CAGE won by consecutive cages from 73 .

M2 12. LUCKY CATALOGUE (NUMBER ON BACK, HAND WRITTEN)

M 3 ...33.. LUCKY CAGE

*The winning numbers of the Miscellaneous Awards will be displayed on the wall this afternoon.*

*Lucky Catalogue must be shown to collect prize. If prize is not collected by end of presentation, there will be a re-draw.*

**ACF ROSETTE (ENCOURAGEMENT AWARD) .....61.....(Judge Sandi Gemmell)**

## GOODIE BAGS AND SPONSORED PRIZES

All exhibitors received one of these on admission to the show this morning and we hope you enjoy receiving these little “rewards” for entering our show. This is something Tandanya usually does if we do not have a major food sponsor, and we are doing it at this show. For this show, PsychMed have donated bags.

The five Supreme Group 1 winners will each receive a pet crate from Dogtainers (groups 1, 2, 3, 4, & 5/6), Group winners in Ring 1 will receive lovely SA (Gawler) made rosettes in club colours, and sponsored prizes as in “Group Awards” pages, with ribbons for smaller awards, and Ring 2 Group Winners will receive CatPad rosettes in their colours, also made in Gawler, and prizes for these have also been donated.

We’ve also have some really special and very locally made rosettes, which make use of materials from the rosettes that have been so kindly donated. Tandanya sincerely appreciates the generous donations of rosettes for recycling from exhibitors and everyone who has donated, and cash donations have been put towards our rosettes, so the Club does not have to bear the whole cost out of its savings. This has enabled the club to cover the expenses of two interstate judges and two local judges.

Due to exhibitor requests, we have tried in the past few shows to put results cards and side class awards on cages. It has worked fairly well with side classes, where judges, stewards or clerks put them on cages, but as prize cards rely on this depends on assistance from exhibitors we have gone home with unfilled in cards. We also depend on help for the distribution of prizes and ribbons after Group Awards have been judged.

Most awards today, especially those donated by sponsors, will be presented from the trophy table.

# WOMBAROO CAT MILK REPLACER

A nutritionally balanced milk substitute for kittens of all breeds. Use for orphaned kittens or when the mother's milk is limited.

## About Cat's Milk

Different species of mammals produce milks of different composition in order to nourish their young. The table below outlines the differences between normal cow's milk and cats' milk.

	Cow	Cat
Solids (g/litre)	127	195
Protein %	26	42
Fat %	30	25
Carbohydrate %	38	26
Energy (MJ/litre)	2.8	4.1
Taurine (mg/litre)	10	359

Cat's milk is characterised by having relatively high protein levels with only moderate amounts of fat and carbohydrate (lactose). The protein in cat's milk is high in readily digestible whey proteins, compared to cow's milk which is predominantly caseins. Cat's milk also contains high levels of the sulphonic acid taurine which is an essential nutrient for kittens. In cats a dietary deficiency of taurine can lead to blindness, hair loss, tooth decay and heart failure.

## Benefits of Wombaroo Cat Milk Replacer

- Closely resembles Cat Milk - formulated to match the composition of the mother's milk, with added vitamins, minerals and essential fatty acids (omega 3 & 6).
- High in Whey Proteins - for improved digestibility and growth rate of kittens
- Elevated Taurine Content - essential for development of healthy kittens.

## Using Cat Milk Replacer

- Success in rearing kittens greatly improves if they receive colostrum at birth. Kittens that don't get colostrum from the mother can be fed Impact Colostrum Supplement.
- Commence feeding milk formula after the initial feeds of colostrum. Make up Wombaroo at a concentration of 215g per litre, in accordance with the directions on the pack.
- Milk can be stored in the fridge for a day or frozen for up to 2 weeks. Small quantities can be frozen in ice-cube trays, so that the required daily feed volumes can be easily thawed out.
- When feeding, warm milk to about 35°C and feed from a bottle and teat (A Wombaroo "C" type teat is recommended).
- Refer to the guidelines on the pack for feed rates. Do not overfeed as this can lead to diarrhoea.
- Weigh kittens regularly to verify consistent weight gains. Body weight should increase by about 10-15 g per day.

# The Good Oil

## Omega 3 & 6 Blend for Animals

**A supplement for animals deficient in essential fatty acids to help maintain a healthy skin and coat.**

### What are essential fatty acids (EFAs)?

EFAs are the polyunsaturated omega 3 & 6 components of fat that are essential to normal biological function. They cannot be synthesised by the body and must therefore be supplied in the diet. EFA deficiency in animals is often characterised by poor skin condition and a dull, coarse or uneven coat.

**The Good Oil contains the following EFAs and fat-soluble vitamins:**

**Omega 3 & 6 fatty acids** to help maintain a healthy skin and coat condition.

**Vitamin A** for vision and maintenance of skin tissue.

**Vitamin D<sub>3</sub>** for bone growth and absorption of calcium.

**Vitamin E** which is an antioxidant and helps maintain cell membranes.

**Dose:** 0.5mL per kg of body weight applied daily to food for 2 weeks, thereafter every second day. The highly palatable oil is readily accepted by most animals.

### Each mL contains

410mg	Oleic Acid (omega 9)
290mg	Linoleic Acid (omega 6)
110mg	α-linolenic Acid (omega 3)
25mg	Eicosapentaenoic Acid (omega 3)
12mg	Docosahexaenoic Acid (omega 3)
30µg	Vitamin A
2µg	Vitamin D <sub>3</sub>
3mg	Vitamin E

**Available in 250mL, 1L and 5L**

## Eye Envy

Tear Stain Remover

### How to Use Eye Envy for your Cat

Website: [www.eyeenvy.com.au](http://www.eyeenvy.com.au).

**Step 1:** If your pet's eyes are very crusty and full of debris, then GENTLY clean around their eyes with warm water and a toothbrush (softly) or a small flea comb. Try to remove as much debris as possible. If eyes are mostly runny, with no big clumps of debris, then skip this step.

Please NOTE: Step 1 is for first time users and for animals that have EXTREME debris in their eyes. After the initial application of Eye Envy, you will only have to do Steps #2 and #3.

**Step 2:** Shake bottle of Eye Envy solution well and apply to the eyes using the special Eye Envy applying pads

**Step 3:** Gently wipe around eye area. Don't be afraid to get it too wet. Do NOT pour Eye Envy solution into eyes, but don't worry if a bit gets inside. Allow to dry.

**Step 4:** After completing steps #1 through #3, gently work the EYE ENVY POWDER into your pet's fur, working around the eyes and working powder against the hair growth using the special Eye Envy applying pads. Allow to dry. You can apply the powder immediately after applying the solution. The powder is used more by show people, but definitely brightens the fur. Avoid powder in their nose. VOILA..You're DONE! Your pet's eyes should look great within a few hours!!!!

Do NOT pour into eyes
