QUALITY WORK AT A REALISTIC PRICE

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

Innovative Animal Health

Welcome!

Way back in 2004 a group of Devon Rex & Cornish Rex breeders got together and decided we needed our own club. Here we are today, with most of the founding members still a part of this club whether it be as breeders or lovers of Rex, they have come back as members and supporters.

Here I am, Founding President, back in the hot seat of a club that I love and now also back as Show Manager 2024. It's a special Birthday for the club and we've tried to go "all out" with the venue, Judges and awards. I've had the wonderful support of my team & knowing that I can trust them with their different parts of planning and running a show, I truly can't thank them enough.

Deb & Mel – I knew that working with a new entry system that only Mel had a little bit of training in would be difficult. They succeeded and made it look way too easy!

Shirley, Charlotte, Marlene, Lisa – I loved that I could write up a menu and hand it over, once again knowing that the kitchen would be run by pro's.

Dad (Joe) – I love you! Once again, I gave orders and he accepted without any fuss, cooking dinner for the Judge's and set-up helpers last night and today cooking the BBQ.

Greg – my transport man. My punching bag. My darling!

JJ – as always, took on the raffle table and door and selling people's choice roses and basically just saying "sure" to all the other jobs I threw into her "Raffle Queen" position.

Tracy & Annabelle – my go-to people for everything. As soon as one job was finished, they were back for another. I cannot state enough how much I appreciate and adore this whole family!! Tracy is back in Holder, holding down the fort with my many different pets, as well as running my business.

Sharon – you knew this last week of labelling awards, packing boxes etc etc was going to be full on but you took holidays from work and made my job so much easier. Thank you for all of your support this week!

Leonie & Sue – I believe your positions in the team are the most unenviable, but you've pulled it off as I knew you would. You've put together a brilliant team of stewards & clerks. Thank you so much!

Kingsley – Chauffeur and mental health support person. You're the best!

It's said that you cannot run a show without sponsors. We've had wonderful sponsorship and obviously it's much appreciated but, truth is, you cannot run a show as a one-man-band without going crazy. My team made this show easy.

I would also like to thank everyone that put their hand up to help in other areas such as stewarding, ring clerking etc today. Your support is invaluable and once again, I know this show is in great hands.

I'll sign off now as delegator extraordinaire, oops show manager,

Eva

BREAKING UP IS HARD TO DO

Transitioning your family from one home to two doesn't have to be a war.

At separation and for quite a while after you are likely to feel a mixture of being overwhelmed, relief, anger and sadness for a planned future that is lost.

You might feel like you want to attack the other side but what you really need is to use a punching bag in your shed at home but see me for your legal advice instead.

I have over 20 years' experience in family law as a fierce litigator so you know I know my stuff and how to best protect your best financial interests and those of your children as you move on.

I have been where you are – I had 3 small children and the adult relationship fell apart. Thankfully I had a very good friend who was a family lawyer who said, "Don't go to Court". I didn't, we resolved it in under a year and we moved forward coparenting, not always smoothly as life throws curve balls, but our children are now parents themselves and we are both very proud of them.

I am a Nationally Accredited Mediator, a Parenting Coordinator and Collaboratively Trained Lawyer so I have the skillset to steer you safely as you resolve property and children's matters.

Call or email me for a first free interview – let's chat.
